Consumer Benefits

Performance-Tuned Surround Sound

Dolby Digital decoding creates incredible room-filling surround sound that easily beats anything you hear from your TV's small speakers.

Universal Compatibility

Works with 4K and HD TVs—HDMI and optical cables included. Watch your favorite shows with exceptional contrast and clarity.

Low-Profile Design

At just over 2" tall, it fits most spaces—easily wall-mount it or place in front of your TV. It won't block your TV's bottom edge or IR remote sensor.

Polk VoiceAdjust™ Technology

Customize the voice levels to reproduce clear, crisp dialogue and never miss a single word of your favorite movie, TV show or sporting event.

Wireless Music Streaming

Built-in Bluetooth® technology lets you stream music directly from your smartphone, tablet or other compatible device.

Compact Wireless Subwoofer

Paired with the sound bar, the included wireless subwoofer reproduces deep bass impact you can feel, creating a room-filling and immersive home theater and music listening experience.

Built-in HDMI Audio Return Channel (ARC)

Control of the Signa S2D volume via your TV remote control (requires the sound bar is connected to TV HDMI ARC port and CEC enabled on the TV).
